

Looking for a doctor?

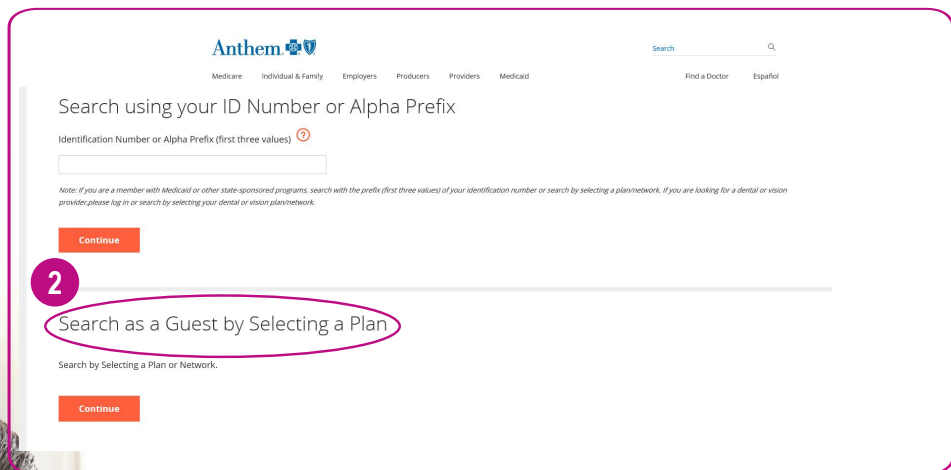

Finding one online is fast and easy.

The right doctor can make all the difference — and choosing one in your plan can save you money, too. Our **Find a Doctor** tool helps you find doctors, dentists, hospitals, labs and other health care providers in your plan. If you decide to get care from doctors outside the plan, it'll cost you more and your care might not be covered at all.

1. Go to **anthem.com** and choose **Find a Doctor**.

2. Choose **Search as a Guest by Selecting a Plan**

Just a bit more to go. Read on to complete the steps.

3. Select "Medical" as the type of care you are searching for.
4. Choose "Wisconsin" as the state you are searching in.
5. Choose "Medical Networks" as the type of plan you want to search with.
6. Select "Blue Preferred Network" as the plan/network.
7. Click **Continue**.

The screenshot shows the Anthem website search interface. At the top, there is a search bar and navigation links for Medicare, Individual & Family, Employers, Producers, Providers, and Medicaid. On the right, there are links for "Find a Doctor" and "Español", and a link "Encontrar un doctor". Below the navigation, there are two radio buttons: "Search by Plan" (selected) and "Search by Identification Number or Prefix". A message states: "To search by selecting a plan, first narrow the list of plans and networks by selecting the type of care and state. Then, select a plan or network to search." There are four dropdown menus: "What type of care are you searching for?" (Medical), "What state do you want to search in?" (Wisconsin), "What type of plan do you want to search with?" (Medical Networks), and "Select a plan/network" (Select a plan/network). A "Continue" button is highlighted with a red circle 7, and a "Cancel" button is also visible.

8. Choose the type of provider you are looking for.
9. Choose the type of specialty for the provider.
10. Provide the ZIP code.
11. Enter the search distance.
12. To narrow down your search even more, add the name of the provider
13. You're almost there! Choose **Search** to see your results.
