

**Subject:** Versiti Families Save on Early Childhood Education with KinderCare!

## KinderCare is partnering with Versiti families across the U.S.

We have an exciting new benefit for Versiti families! Versiti and KinderCare Education have partnered to provide a **10% savings on tuition at KinderCare Learning Centers and Champions school programs**. Most Versiti families will save over \$1,000 per year!

Enjoy access to safe, fun, and engaging learning experiences with proven curriculum for ages 6 weeks to 12 years with industry leading health and safety measures. KinderCare is helping kids reconnect with learning and friends so families can find stability after a year of change.

## Tuition Benefits by KinderCare Education

KinderCare has partnered with Versiti to help support one of the biggest financial burdens on families: the cost of early childhood education. The tuition benefits program is available at over 1,500 KinderCare Learning Centers and over 500 Champions before- and after-school programs nationwide. The tuition benefits program reduces the economic cost for enrolling your child in early learning education.

This offer is available for anyone who currently may have children already in KinderCare centers, or for anyone considering changing their current childcare provider, looking for before- or after-school care, or interested in any of our other program options that KinderCare oversees. All your resources are available at VERSITI employee resource page.

## The KinderCare Experience

A child's world gets a little bigger every time they step—or crawl, or roll, or hop!—into a KinderCare classroom. Here they can build a skyscraper, cook an imaginary feast, or heal a teddy bear's runny nose. Everything in our classrooms is designed around their unique needs.

Every day, our KinderCare team, Center Directors, and teachers make a positive, lasting impact for children and their parents. Everything we do is designed to create an exceptional experience with long-term benefits for families. We hope to bring our passion to you and your families.

## What's Next? How to Enroll in your KinderCare Benefit

To find if a center is near you visit <https://www.kindercare.com/Versiti> or call 888-525-2780 to schedule a virtual tour with the Center Director. Remember to mention this program when enrolling to start receiving your **10% discount**.
