

# **Action Required: Create your Garner account + download the Garner app**

## **Introducing Garner Health: Your free reimbursement benefit**

We're excited to offer a **free** healthcare benefit to help you and your family find high-quality, in-network doctors—and **get reimbursed for out-of-pocket costs up to \$1,000 for individuals and \$2,000 for families** when you visit them.

Garner uses real patient outcome data to recommend doctors who provide better care. It works with your current health insurance and is **fully covered** by Versiti.

As a mandatory step in benefits election, please take 5 minutes to create your Garner account today so you are set up to **maximize your reimbursement benefit**. Get started at **[garner.guide/access-garner](https://garnerguide.com/access-garner)**.

**Questions?** See Frequently Asked Questions at **<https://garnerguide.com/versiti>** Garner's live Concierge team is also available Monday–Friday, 8 a.m.–8 p.m. ET, in English and Spanish.

Please click next once you have created your Garner account.
